Burley's Travoy wins 2011 Bicycle Innovation Award

EUGENE, Ore. - The Travoy has recently received yet another award, this one from the FietsVAK bicycle industry fair in Rosmalen, North Brabant (Netherlands). After narrowing down 33 entries down to eight finalists, the revolutionary Travoy bicycle trailer was one of four products to win a *Bicycle Innovation Award*.

FietsVAK, celebrating its 20th anniversary, took place over three days in January at the Autotron Rosmalen, drawing over 6500 visitors and 134 exhibitors.

The Travoy bicycle trailer provides a safe, hassle-free way to haul to 60 lb. of cargo, and easily hitches to the seatpost of any bike. At detaching, it easily converts to an on-the-go rolling cart. The trailer comes with a cargo bag, tie-down straps, and an innovative hitch assembly.

About Burley

With more than 30 years of innovation in building child and cargo trailers for bicycle enthusiasts throughout the world, Burley Design continues to inspire people to rethink transportation with new products and updated designs. Look for a wide range of child, cargo, comm and pet trailers at local bike and outdoor retailers. All products, accessories and kits can be viewed at www.burley.com.
